

Whitefield Academy Aftercare Program **Enrollment for School Year 2009 – 2010**

Whitefield Academy has designed an Aftercare Program to provide flexibility for parents, teachers and staff who need to extend their child's day at Whitefield on an ongoing basis. The program is open to students in grades K-8 and will provide a safe, loving and nurturing environment for your student. Students enrolled in the program will report to the lunch room at the end of the school day and will enjoy snack time (snacks provided), recreation or game time, and time for quiet reading and homework. As an added benefit, your student will attend Whitefield Lions' home games that are played at the school at no additional cost!

Enrolling in the program is a commitment to the service for a semester. Payment is required on a monthly basis.
